The part Hersil Case special

ALEXANDRIA, January 26.—Dr.
Fanton, a highly instructed Mason, has finished a careful examination of the obelisk, and confirms Lieutenant Commander Gorringe's discovery of the Masonic emblems, which establish the relations of inany ancient Egyptian monuments. Dr. Fauton declares that the Hiram versions of Masonry originated with the construction of Solumon's Temple, is disproved by the revelations of the fids of the boxes are then soldered with reverse as the originated with the construction of the obelisk.

The first needs of the surface of drop of blood with every puncture, the lost, estimating the usund minuments of drops to a pint and taking a pint to a pound, 5,833 pounds; or, to put to a pound, 5,833 pounds; or, to put to a pound, 5,833 pounds; or, to put to differently, just 880 gallons of the glusses of the engineer and train on the Union Pacific Railroad charges that a fly having alighted on one of the glusses of the engineer thought it was a much as blood, or a trifle over 20 barrels during ninety days. Tears don't weight as much as blood, so hunching the two much as blood, so hunching the two much whose husiness it is to pack the fish closely and uniformly in boxes. The boxes being full, the fish are covered with fresh oil and the girds are placed on to a pound, 5,833 pounds; or, to put to a pound, 5,833 pounds; or, t they are placed in a wire basket and

The Massuic cublems of Life and immersed in boiling water. The proves that Masoury originated with somewhat longer, in proportion to of a sentiment one-teuth philanthropy miles away, and he waited triefve I venerate old age; and I love the construction with the Pyramide, the size of the box. The fish ara and bine-teaths folly. Last week 84 minutes on a side track to allow her not the man who can look without or at-least with a far remoter period then roady for the market, and being convicts of every grade of guilt, who to pass."

This discovery furnishes a clue to out, but who had always sent back other important discoveries, not only plenty of money. Just before the nader the fallen obelisks, but also in parts of Egypt, rendering probable a solution of the mystery of the construction of the Pyramids.

Among the discoveries was found a Masonic foundatious.
